Lake Michigan Catholic is one of the top 50 secondary schools in America. That's based on the Catholic High School Honor Roll from the Acton Institute for the Study of Religion & Liberty.

The Honor Roll is based on three surveys of academics, civic education and where L-M-C ranked the highest -- Catholic identity.

Points are awarded for P-S-A-T scores, using Catechism books and offering economic and government courses.

About 250 schools responded to the surveys.
